

## VLT 50, VLT 100, VLG 98, VG, VP 2, VP 5, Vacuum Bag and Frame Press Warranty

Every VLT vacuum press and pump is inspected and tested before leaving the factory. The pump motor (VLT 50 and VLT 100) is warranted for 5 years. All other components are warranted for 1 year to be free of defects from workmanship and materials from the date of original purchase to the original purchaser. Should any trouble develop during this period, return the product, freight prepaid, to our service department. If inspection shows defective workmanship or materials cause the trouble, we will repair the pump or press without charge. The return must be authorized in advance by us.

This warranty does not apply where:

- Repairs have been made or attempted by others
- Repairs are required because of normal wear and tear
- The press or pump has been abused, misused, or improperly maintained
- Alterations have been made to the press or pump
- Pump seizure due to lack of use of the shutdown procedure

This warranty does not cover the punctures or damage to bag material, seams, C-channel, tubing, seals or silicone membrane.

VLT's liability is in all cases limited to the replacement price of its products. In no event shall VLT be liable for any indirect, incidental, special or consequential damages from the sale or use of the product. This disclaimer applies both during and after the term of this warranty. This warranty is exclusive and lieu of all other warranties, whether written, oral or implied.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

### Return Policy

There are no returns on used products unless specified on the invoice at the time of purchase. Shipping is non refundable. New products in resalable condition may be returned incurring a 10% fee. Shipping of return products will be at the customer's expense.
